Coastal Calm!

SSSHHH it is just so quiet in Ashton Road all you can hear are the birds singing and the crickets chirping. All of this whilst you sit on the deck of your new house and gaze out at the clear blue water.

At the end of this cul-de-sac you will find this large 1068m2 block which gently rises from front to back. There is plenty of space to position your new home right at the rear of the block so you can capture the ocean views to the west and south of the block. On such a large block, there is also space for a shed and side access.

Hardly a car ventures up the street, so if you are looking for peace and quiet, this is the perfect place to build your permanent home or weekender.
