## Just like a page out of a Better Homes & Gardens magazine

From the road, a paved driveway takes you through the feature main entrance gate over a small bridge to the wide steps leading up to the front door of a character brick built 3-bedroom house with a covered verandah all around.

This is a home suited to a small family or maybe retirees wanting a large garden with space to move.

Two of the three bedrooms have built-in robes and ensuites, with the third bedroom, presently used as an office, having an adjacent recently updated bathroom.

The kitchen with stainless appliances and walk-in pantry adjoins a family/meals area with a reverse cycle air conditioner and leads out to a covered patio overlooking the back gard
