

2 Francis Street Australind, WA

4 3 2

Right alongside the Estuary .

Sit out on the balcony and enjoy the estuary views with a morning coffee or mid-afternoon wine and cheese, it is spectacular.

Just footsteps from the picturesque Australind Estuary, this four-bedroom three-bathroom home is ideal for a growing family.

With a spacious master bedroom featuring a three-door floor to ceiling wardrobe with built in drawers, double vanity ensuite and large shower recess. Two additional queen size bedrooms include double built in robes with sliding mirrored doors.

Out the back there are plenty of sheds including an aviary and chook run. Sit under your patio alongside a large undercover area with room to store boat, camper trailer or small car
