

19 Bucktin Street Collie, WA

LARGE HOME OF YESTERYEAR.

Excellent Weatherboard, Fibro & Iron home, well located in North Collie and central to quality schools all the local shopping and many other amenities all within a few minutes travel....

This lovely home offers 3 double sized bedrooms with high ceilings complete with ceiling roses, 2 bathrooms plus an additional room which would be ideal as a sunroom, study or sleepout.

It has a wonderfully wide entry hall which leads into a large lounge, with a built in log fire for cosy nights in over colder months, and a ceiling fan to evenly distribute heat in winter, and assist in expelling it during summer months.

Definitely worth taking a look and priced to sell, this home has it all with room to spar
