Spacious Family Home

If your growing family is in need of space, this 4 year old home is just for you. Not only is the house huge, but it is located on a 1889m2 block in Galway Green Estate.

Styled for family living, this four bedroom, 2 bathroom home has the parents area at the front, multiple living areas in the middle and the kids bedrooms at the rear. It has ducted evaporative air conditioning throughout the home.

The living areas encompass an open planned kitchen/dining/family area, a formal lounge plus a games room. Everything about the kitchen has epic proportions, including the walk-in pantry. It has stainless steel appliances including a dishwasher, electric wall oven and gas hotplate. There is a massive tile fire, to keep the living area cosy in winter. The games room sits behind french doors, perfect for isolating noise from the central living
