

EATON, WA

Exceptional Value!

This delightful home is one of those very special properties that must be seen to be appreciated.

A fabulous versatile but very functional floor plan that suits all the family needs.

While the kitchen, dining, family and games are open plan in design, they can be sectioned off for use and furnishing. Lovely high ceilings and a superb outlook to the patio and established gardens allow great sensation of space and light.

Other features include spacious bedrooms, 2 bathrooms, a huge study (could be a 5th bedroom if needed).

Price: \$399,000
