

6 Rosebery Lane AUSTRALIND, WA

The Neighbourhood Sweetheart

This three bedroom, two bathroom home is located on a 476 m2 cottage block in Kingston Gardens. The property is approached from the rear of the block, as the front gate leads out onto the walkways, lake and park. This provides a sense of wide open spaces, whilst minimising the time needed to spend in the garden.

This Dale Alcock home was built in 2002. At the front of the home is a large master bedroom with WIR complete with shelving and ensuite. There is a lounge area off the main entry area.

Towards the rear of the home are the two other bedrooms, both with built in robes. The bathroom has a bath, shower and vanity, whilst the toilet is located off the hallway. The laundry has a triple sliding linen cupboard and access to the outside. The double garage is larger than most (7.7m x 6.3m) allowing room for 2 cars, plus additional storage. There is
