## Comfort, Style and Luxury

This is the simply stunning package that awaits unsuspecting buyers at 4 Pioneer Street in the beachside town of Binningup.

You could say that, through their business life, the owners of this four bedroom plus study Dale Alcock Home had a bit of insider knowledge when it came to building about four years ago.

And the evidence of that insider knowledge is evident everywhere with the result being a magnificently finished and decorated home that could easily feature inside the pages of a Home magazine.

Theres:

Top of the range limestone look floor tiles right throughout complemented by an expertly selected colour palette on the walls and in the kitchens and bathrooms that reflect the beachside life;

Stone-look floor to ceiling tiles in the wet areas with an incredible shimmer;

High quality outdoor floor tiles that create a seamless transition between inside and out
