Don't believe me, check with the City of Bunbury about some of the plans in place for the suburb of Glen Iris.

If you want to be close to the action you will appreciate being only a few minutes' drive from Bunbury Forum or across Koombana Bay to the CBD and with several schools nearby you may not find a more accessible area to live.

Here is your chance to grab a bigger than usual home on an easy care 550m² block with great side and rear patios.

Inside the home boasts four generous bedrooms all with robes as well as 2 bathrooms and a walk in robe and en-suite off the master bedroom.

The kitchen features a Miele dishwasher and overlooks the open plan, family, games and meals areas.

Price: \$345,000
