ENVIABLE LIFESTYLE OPPORTUNITY!

Tranquil, Peaceful, Spacious, Private are just some of the words I can use to describe this delightful 1 acre property (4,000m2) in a quiet street of popular Gelorup.

Enjoy the outdoors with family and friends or let the kids run free building tree houses, camping out if they want, enjoy a game of tennis, cricket or footy, there's room for this and more at this family friendly home.

Indoors this home boasts four generous bedrooms, two bathrooms and wc's, separate dining and family rooms. Central to the home is a large enclosed atrium which floods light and warmth to living areas and makes for a perfect area for entertaining.

Price: \$500,000
