IMPRESSIVE ARCHITECTURALLY DESIGNED HOME!

Enjoy the peace and tranquillity of this spectacular 4 bedroom, 2 bathroom and study architecturally designed residence, in the popular location of Ashmere Heights in Leschenault. If you are looking for space you have found it. Features include a 4011m² block, 2 generous sized open plan living areas off the well appointed kitchen all with views to the beautiful easy care gardens, pool and patio area. Privately located master bedroom and ensuite also leads into the pool area.

The impressive design of this home follows the land contour to three levels, stepping down from the living and kitchen area, to the master bedroom wing and again to the generous lounge room and minor bedroom wing.

Features include:
