Cash Cow

Consider the advantages of a bricks and mortar investment with a consistent rent return and absolute ocean front location.

Located on the top floor this unit is without doubt the best of the 14 unit complex boasting full ocean views from the bedsit living room window as well as the private balcony at the rear.

This property is being offered fully furnished on a WIWO basis and is presently used for short stay accommodation.

Outstanding and consistent income generator

Recently repainted this really is a set and forget investment.

This really is a super addition to your self managed superannuation fund or investment portfolio.
