Chic Design and Flair

With all the makings of a family home, your friends and family will enjoy the comforts this property will provide for everyone.

With a separate theatre room with double French glass doors and a vast open plan living area with games room, all your guests will feel relaxed and at home.

The vast gabled patio area will be perfect for entertaining, as well as the spacious backyard (room for a pool). Set back from the road, this Ventura built home boasts an Evaporation air conditioning system for year round comfort.

Features include:

Separate theatre with French doors.
