

30 Glenfield Drive AUSTRALIND, WA

Great Location In Kingston

With a large and long patio plus a huge powered workshop, this property is a must view for people looking to get started in owning your own home or down sized once the kids have moved on.

The home features a separate front lounge room plus a spacious kitchen, dining, family and games area. It's perfect if you are entertaining family and friend as it all flows through to the outdoor area. A decked area with feature up lights in the timber will create a relaxed and inviting feel.

Located within walking distance to the local park and wet lands, the kids or grand kids will enjoy living in the area.

Features Include:

Built by the Homebuyers Centre in 2004.

Price: \$340,000

Lorraine Grassie
