ELEGANT and SOPHISTICATED

Sophistication and elegances has been the key to the design and layout of this stunning home, with multiple living and family areas, this beautiful home will be the envy of all your family and friends.

With features above the competition this home is perfect if you are ready for a step up in quality and size.

Well located close to the river and parks in established Treendale you will be impressed at every turn.

Entry through the double door entry leads you to the sunken lounge then to the entertainers kitchen with stainless steel dishwasher, which overlooks the family area. Every need is
