Don't Wait To Build.

Don't want to wait to build your dream home- Then this could be the answer you need.

With a separate open lounge room and a vast open plan living area, the family will be living in comfort in this big home. Built by Dale Alcock in 2005, it's located in a great area of Dalyellup with Schools and the local Deli within close distance. The local Dalyellup beach and large parkland is only a few moments drive way.

An Evaporate Air Conditioner has been installed for Summer comfort and a gas bayonet point for the cooler Winters. A relaxing alfresco dining area is ideal for entertaining the family.

Features Include:
