Resort Living in Binningup

This substantial home has it all. Central location, oceanviews, below ground pool and double garage to store all the toys for living this close to the ocean

The secure property is split over three levels to optimize the ocean views. Inside you will find:

- Massive tiled entry with living area to the left hand side. This room has a built in wine cellar and large windows to capture the winter sun.
- Spacious kitchen finished with silver cupboards, reconstituted granite benchtops with a red trim. There is a long breakfast bar for casual dining, fridge recess & corner pantry

Outside you will find:
