HIGH QUALITY FAMILY HOME

Quality built Ventura home only two years old and featuring four large bedrooms and two bathrooms nestled on 654m². The owners of this home have opted to use display home quality fixtures and fittings with sensational results and the presentation is first class. Clearly the standout feature is the massive family area and stunning kitchen with Essa stone bench tops and 900mm Blanco cooking package highlighted by a red tiled splash back. A viewing of this home will not disappoint. Features include:

- Wide entry hall leads to a massive high ceiling family room with meals area
- Cosy carpeted theatre or games room separated by a built in bar with wine rack & cupboards also has essa stone top.
- Three minor bedrooms all queen sized with built in robes
- Quality Marri look vinyl flooring
