

8 Wildflower Way LESCHENAULT, WA

Artists Residence

Nestled amongst tranquil surroundings in sought after Leschenault this uniquely stylish home was designed and decorated by an artist and built by master craftsmen, giving it a unique style of its own.

The elevated position allows the property to take in the afternoon breeze and offers a sense of seclusion whilst knowing you are close to all the facilities in growing Australind, just a few kilometres away.

Featuring 5 great bedrooms with lovely outlooks to the greenery beyond there is room for any family.

The home features a beautiful newly constructed timber deck at the rear and an elevated balcony at the front opening to the treetop level.

The central family area excites with high ceilings supported by a super, bush pole.

Where this home really takes on a unique appeal is the fascinating studio with store room, rumpus room and provision for plumbing. Constructed from Hay Bale construction, uncommon
