### Artists, Writers, Lovers

Consider this gorgeous 5 bedroom home nestled down a private drive with reserve at the rear.

This quality home is reminiscent of a gallery or church with fabulous decked outdoor area to take in the surrounding natural beauty.

Full of intricate building techniques, high ceilings and feature windows, the extensive use of natural timber highlights that there is really something different here.

All bedrooms are really good size and feature new flooring.

Inside the heart of the home is the large family room overlooked by the natural timber kitchen, or escape to the formal lounge at the front of the home.
