QUIET CUL DE SAC LIVING

Well presented 4x2 brick & tile family home nestled in this quiet location, must be inspected to be fully appreciated. It is well located just a short drive from the Eaton Primary School and a little further on to the expanding Eaton Fair shopping centre.

Outside this delightful home is a lockup carport plus a second carport and massive patio area, all surrounded with nice paving, lush lawns and gardens. 2 rainwater tanks and a powered 10ft x 12ft workshop complete the rear.

In the front of the property, the gardens offer a pleasant welcome to the home, and great street appeal.

Definitely worth viewing....
