THE IRONBARK

This WA Country builders home, finished in 2013, has been perfectly positioned across from the park in Lakewood Shores Estate.

The Ironbark design is perfect for utilizing all the space a growing family needs with 4 double sized bedrooms, 2 bathrooms and 3 living areas.

The double door entry complete with security mesh screens leads into a wide foyer and has access from the double garage. On the left hand side there is a double door linen press leading into the laundry.

At the end of the entry hallway is the main open planned living area consisting of a bright kitchen, scullery, dining and family room. The modern kitchen has plenty of cupboards and bench space, fridge recess, gas stove top, rangehood and oven, dishwasher and double sink strategically located overlooking the living area.
