## Big Family - Perfect Home

If you have a large family and need extra space this is the perfect home for you! Immaculately presented with 6 bedrooms, 3 bathrooms, 3 living areas plus study on the inside and a double garage, side access, large alfresco, pool and shed on the outside this home has EVERYTHING!

Built in 2006 with a quality built extension in 2012 this 2 storey rendered home is poised at the top of the hill in a quiet cul-de-sac location.

Adjacent to the master bedroom, on the other side of the entry is double sliding doors into a lounge or home theatre room complete with recessed ceiling and ceiling fan.

The central living area comprises kitchen, family and dining room. This area is designed to suit all occasions with cathedral ceilings in the lounge room and a split system air-con
