## YOUR NEW ADDRESS...

Situated in popular Buckingham Way, North Collie, sits this beautifully set out 4 bedroom, 2 bathroom home.

Providing a sense of seclusion, the backyard is a great size for the whole family to run and play yet private enough to feel as you're the only one's around....

The Master Suite has a walk in robe and ensuite, the remaining bedrooms have built in robes and are double sized for comfort.

A log fire for the cool winter months, with added reverse cycle air conditioning and ducted evaporative air conditioning for the warmer summer months, help you enjoy your new home whatever the season

There is a massive paved outdoor area too, which wraps around the back and side of the house. In addition to this, a 6m x 9m powered workshop sits at the rear of the property with other various sheds, simply great for storage, keen DIYer, or tinkering with the 'boys toy
