Spacious Character Home...

Built in the 1930's, this excellent Weatherboard/Fibro & Iron family home, has all the charm of yesteryear and located 10 mins from the CBD, Collie River walks and much more...

This is a large home, and offers the new owners lots of scope to improve. The wooden floors could be polished, and meld the old features, such as the high ceilings, with a modern colour scheme and conveniences to bring a whole new lease of life to this delightful home.

The kitchen is a good size, and alongside this is an additional activity room.
