DROP DEAD GORGEOUS

Outside and everything is yet again taken care of, the decked, split level undercover area, running the full length of the house is big enough for the bar & bbq at one end with loads of room for your family and friends at the other. Caf blinds installed make it the perfect all year round entertaining room. Low maintenance lawns and gardens are an added bonus. There is also two garden sheds, chook run, children's sandpit and a brand spanking new double carport.

Inspection of this beautiful family home is a MUST.
