## The Shack

This treasure is steeped in 1950's history and lays claim to being one of the first houses in Myalup. If you like to spend your time fishing, beachcombing or bird watching, instead of doing house work, then this is the perfect weekend getaway.

Featuring a bright palette of colours and etched glass panels, you will love the retro charm and the links to a by-gone era, especially the Kelvinator fridge. The second bedroom is at the rear of the home and features an array of bunk beds.

**Price:** \$250,000 - \$270,000
