DROP DEAD GORGEOUS

Price: $269,000

Outside and everything is yet again taken care of, the undercover area, featuring exposed aggregate flooring is a great space to entertain. The shaded deck area makes a perfect second entertaining area and home for the bbq. Secure fencing in the rear yard allows peace of mind for pets and children to play. Low maintenance, reticulated lawns and gardens are an added bonus. There is also a powered 6m x 6m colour bond garage/workshop, woodshed and garden shed.

This home is a real credit to its current owners. Fresh modern tones and beautiful styling really show off this drop dead gorgeous home. First home buyers or those looking to downsize make a time to view.
Inspection of this beautiful family home is a MUST.
