Take advantage of someone else's hard work and secure this unique property on the corner of Portland Drive and Allan Road. Recently renovated throughout, the property has a unique floor plan and plenty of versatile space outdoors.

The laundry is off the kitchen and has underbench cupboards, a front loader washing machine, trough and a door leading to the outside. The separate toilet has a door which leads into the family bathroom which has been finished with floor to ceiling tiling, new vanity and large screened shower.

Down the hallway you will find a large minor bedroom at the back of the home, complete with it's own air con unit. A smaller bedroom is on the other side of the hall which would also be ideally suited to a home office. At the end of the hall there is a large split level
