GOING GOING GONE!

If Character homes are on your check list, then before you make any decision please take the time to consider this recently renovated home before it's gone. The home has been renovated and restored partly in keeping with the homes 1930's era. A real credit to the current owners who have shown this home the respect it deserves. Fresh paint, revived patterned carpets, re stumping and re wiring are just some of the bonuses to this package.

Price: \$240,000

WHY YOU SHOULD BUY ME:

- Bathroom with vanity, shower, bath and new water closet.
- Three working fire places, two of which are feature fire places
- Rear lane access
