A Family Large Family Home That Keeps On Going

The overall living space inside and outside this lovely family home is extensive and as you walk through seems to become bigger and bigger. The location allows for easy access to schools, shopping and a day at the beach promoting an easy living style for families. The features include:

- formal front lounge with formal dining room with split a/c
- practical kitchen capable of cooking up a storm for a large family.
- living room adjacent to the kitchen with direct access out to a massive enclosed and secure, gabled patio with tiled floor where entertaining friends and family can occur all year round.
- the rear main bedroom has his/her walk-in-robos, ensuite with spa, screened shower and enclosed toilet.
- third bedroom with built-in-robe
- large colour bond powered shed, which is wall plastered and has a ceiling with split a/c
