A HOME WITH SO MUCH MORE!

With so much more to offer than just your standard 4-bedroom, 2-bathroom family home, this property is ideally placed on a large corner block and boasts amazing side access to the massive covered caravan storage area, 6m x 6m powered workshop with additional lean-to and an outdoor entertaining area that will quickly become a place the family and friends will want to gather, with a built-in plumbed BBQ and external TV point to catch all the games.

Enjoying all the added creature comforts such as roller shutters, down lights throughout, ducted evaporative air-con and wood fire heating to main living, the spacious floor plan offers space and comfort for every member of the family.

Four generous bedrooms ensure a spot to rest the head while the enclosed theatre and large separate games rooms will keep the whole family entertained along with an open plan living
