Footprints Resort Preston Beach

One of our coastlines best kept secrets is also one of its best investment opportunities.

Preston Beach is an idyllic beachside village, where developers are planning a substantial residential development in the near future. Its going to change but it isnt ever destined to become a city.

To invest in a beach shack now at Footprints at Preston Beach is to get in on the ground floor at one of Western Australias finest sea change destinations.

Kitchen is complete will all appliances, Crockery, glassware and cutlery, Dishwasher and Microwave, Laundry with washer and dryer, Ground floor powder room, Bamboo flooring, Reverse cycle air-conditioning, Ceiling fans throughout, Shaded entertainment deck with barbeque
