The Complete Package

It's hard not to be captivated by the front elevation, manicured gardens and welcoming front verandah that greet you at 85 Kingston Drive. What's even more captivating is the outlook across the garden to the park across the road, and what lies beyond the front door.

Built in 2000 this Dale Alcock home has had one owner since new and offers the following:

Wide entry with Marri flooring and high ceilings which extend throughout the home.

Oversized master suite with plenty of room for a bed and extra space for a parent's retreat or office space. There is a large walk in robe and a recess that houses a tall boy dresser. The ensuite has a double shower, large vanity & toilet with federation style tiling wh
