STYLE, SOPHISTICATION & SPACE

Sit back, relax and enjoy the finer things in life in this impeccably presented home in one of Millbridges most sought after locations.

Built by Ventura Homes in 2014, this exceptional residence is spectacular in design and features multiple light-filled living areas including a dedicated home theatre, separate study and 5 generous bedrooms. The sophisticated, open plan living is enhanced by soaring cathedral ceilings with remote control skylights and a stunning backdrop overlooking the vast green reserve.

With storage options aplenty, including two separate remote-control garages, ample cupboard spaces and with a loft ladder already installed giving you the option to convert the roof space into a storage area - this property will not last long, so do not hesitate and call
