

11 Ashbank Green SOUTH BUNBURY, WA

MORTGAGEE SALE

Located in the sought after South Bunbury location just a 10 minute walk to the very popular Bunbury back Beach and almost back to back to an excellent quiet secluded public park, this block offers excellent building options for a discerning buyer.

One option would be to build a lovely split level modern home similar to one or two others in the same street (subject to shire approval.) Added benefits to this location include being only a 10 minute drive from the Bunbury CBD shopping, entertainment and Caf strip. Add to these 2 other shopping centre's, medical centre's, Hospitals, schools and a huge recreation centre and sporting fields.

Well worth your consideration.
