

14 Allan Road BINNINGUP, WA

New Home Required!

Secure this 700m² block to build your new home. With a shortage of blocks left in the new estate this block in the 'older part of Binningup' would have to be viewed as a bargain.

The block is located at the northern end of town with an easy walk to the beach. The block is also close to the nature reserve which is perfect for bush walks.

Binningup is fast becoming a popular choice for young South West families. There are daily school bus services to Australind and Bunbury, a local daycare centre & playgroup as well as one of the safest beaches in the South West.
