Tree Change by the Sea

You don't get many locations as private and quiet as this special parcel of land at the end of Ashton Road. Located at the eastern end of the cul-de-sac, hardly a car ventures past this part of Binningup.

The block is relatively flat and its elevated position provides a lovely outlook across the reserve at the rear, bush to the east and down the street towards the ocean.

Large flat blocks are a rare find in this part of Binningup, so be quick to secure this block of land.
