

15 Galloway Bend EATON, WA

Boom Chicka-chick Boom - Locked And Loaded Ready For Action

Do not be surprised if this block is gone before you ring me, best ring me anyways. Build your dream home in a great location with all the community facilities and services in place to service any large family.

Plus do not play around with 500m2 or 600m2 local blocks now for sale when you can have the larger 770m2 block.

Big block means big everything else:

- build a big house with plenty of living space
- have a big back yard
- potential side access even with a big house with approx. 21m frontage
- plenty of room for large outside entertainment area

Big is definitely better. For further information or to place an offer, contact Robert De
