COUNTRY LIVING IN TOWN

A recent price reduction has made this home exceptional value and a unique opportunity to have almost 2 lovely acres in town affording you all the privacy you could want and views to the hills.

This comfortable, cosy home is large and a little unusual in that it has no wasted hallways with all 4 bedrooms, bathroom and formal lounge off the large central kitchen/living/dining..

The central kitchen/living/dining has lots of storage, wide bench tops, a large pantry, an Everhot wood stove and an electric stove, double sink under the window, tiled floors and a skylight.

The formal lounge has its own separate entrance, a bay window and a cosy open fireplace.

Price: \$275,000
