YOUR HOME AMONG THE GUM TREES

Proposed Lot 101

This lovely secluded treed block is home to a large unique and lovingly built two storey home.

Constructed of Jarrah and local stone it nestles in the trees at the end of a long driveway.

Down stairs is an open plan kitchen/living dining area opening through French doors onto stone paved verandas right around the house to enjoy the tranquillity and abundant bird life.

The kitchen has Jarrah bench tops, double sink, a dresser and a pantry under the stairs.

Off the living room is a huge single story family room/billiard room (80sqm) with timber lined ceilings, leadlight port holes, open shelving and this leads off to the bedroom wing
