A MASTERPIECE

This magnificent architect's home on 6.5 gently rolling acres is only five minutes from the centre of gorgeous Bridgetown, is nestled gently into the landscape and commands glorious hill and valley views from every door and window.

This is Bridgetown at its absolute best promising the perfect life changing move. Everything you will ever need is here. A stunning variety of entertaining spaces and places to relax and enjoy your new life.

The front entrance is up a small flight of limestone steps to a solid timber door with cathedral sidelights and opens into a spacious, light and bright lobby.

And it is here that you will be captivated by the vast central atrium flooded with light and brimming with tropical plants, a hanging garden over the fishpond and a 6m x 6m hard wo
