

24 Smith Street DONNYBROOK, WA

Views! Views! Views! And more Views!

With the most amazing views from every corner of the house this property will impress. The property is set high above the Donnybrook townsite and is boarded to the back of the property by farmland. The block is 1323m2 corner block with only one neighbour.

The 3x1 home has been newly renovated and is extremely neat and tidy inside and out. Nothing is left to be done at the property and some of the improvements include new light fittings, freshly painted throughout, updated kitchen appliances and even the gutters are new.

The 3 bedrooms are a good size and positioned off the hallway. Also off the hallway is the large laundry with plenty of storage and the large bathroom with separate shower/bath and heating lights.

Property Code: 9977

Price: \$335000
