

Lot 9525 Cooyarup Road BRIDGETOWN, WA

BLACKWOODS BEST!!!

Arguably one of the best farming blocks I have ever seen!

The property has approximately 3.8km of stunning Blackwood River frontage, excellent fertiliser history and a stocking rate of 150 to 160 yearling steers. There are numerous soaks and stock dams, the cattle yards are rustic but more than adequate.

The majority of this wonderful property can be cut for hay and is only situated approximately 10km from the centre of town. If you are serious about purchasing a quality farming property then I am sure this is the one for you.

Call me today to book a viewing that I am sure will not disappoint!

Price: \$850,000 to \$900,000
