MULCONDA OFFERED FOR SALE

This beautiful Bridgetown homestead on 4,821sq.m of level land on the edge of town is being sold.

She was built by Pa Toyer in 1923 and is an absolute gem with high ceilings, deep skirtings, ornate cornices, timber windows and magnificent Jarrah floors.

There are three separate verandahs for relaxing or outdoor entertaining. Mulconda is a very large two bedroom home with formal lounge and dining, separate modern kitchen and two bathrooms.

There are three entrances, one off each verandah and the front door opens into an expansive hallway.

The second bedroom has an office incorporated into original verandah space and through to the second bathroom. It looks out onto the back garden.

The kitchen is off the dining room and is well appointed with lots of bench and storage space, lots of natural light and opens on to the back verandah. A treat for the serious cook
