

4B Britannia Heights Australind, WA

Build and admire the views.

This is a fantastic opportunity to build your dream home in a perfect location. Tucked away in one of Australind's premier estates, this block is suitable for someone who doesn't want the big backyard but wants the ability to have a view of the Leschenault Estuary and go two-story.

A block like this in a established area doesn't come along very often and won't to be around for long!
