## Renovate or detonate

Work with what you have got and make it your own or knock it down and build the dream. With a prime location in the heart of Australind and estuary views from the front and back, this property could be just what you're looking for.

Currently a 3-bedroom 1-bathroom home, it's neat enough to live in and renovate as you go. There is plenty of back yard space, a patio, garden shed and a workshop/shed the roller door entry.

This property needs some TLC but the potential is there, you just need to see.

- 3 Bedroom
- 1 bathroom
