Idyllic Retreat

If you are seeking the perfect escape from the hectic pace of city life, this architecturally designed home could well tick all the boxes! It makes a great lock and leave holiday house, or if you are chasing a quieter pace of life, make it your seaside home.

Set back from the road, there is plenty of undercover parking and also room to turn vehicles around if needed.

Come up the staircase in the front door and you will find:

- Extensive use of Blackbutt flooring, which extends through the home.
- Beautiful kitchen with breakfast bar, lots of drawers, overhead cabinetry, a coastal blue glass splashback, and large walk in pantry. The kitchen forms part of the open plan living area; perfect for entertaining or relaxed family living. A reverse cycle air con unit is there if you require heating or cooling. The sliding door allows easy access to the back
