NOTHING LITTLE ABOUT THIS

The only thing small about this property, is the street name! Located in a quiet area of Leschenault, is this HUGE double brick, five bedroom, three bathroom home nestled privately amongst the natural bush on just under an acre.

This home has everything to offer with open plan living, high ceilings, a games room or second living area, a study and also an activity room! Not to mention a well-equipped country style kitchen with quality Jarrah cupboards. Wash the dishes or prepare meals while overlooking the kids playing in the backyard across the manicured lawns and beautiful native gardens.

Outdoor living will be a breeze, with its impressive, fully-paved, high gable patio, with a beautiful outlook across the property along with a large powered workshop. Majority of the property is also reticulated, there are also multiple fruit and citrus trees. It's safe
