Bushland Beauty by the Beach

Tucked away between Lake Preston and the Ocean, deep in the Tuart Forest, you will find this private residential estate called the Lakeside Preston Property Trust. There are 40 exclusive lots within the estate that have access onto the beach and are very private and secure behind locked gates.

Lot 15 is one of the larger blocks in the estate with 2.67 hectares (6.5 acres) to use to create your weekend getaway or enjoy this unique location every day.

This long rectangular block has plenty of options for a house site - some choose to start with a shed while they plan their dream beachside home.

Follow the limestone road network within the estate to the private beach access where you can swim, fish, or just enjoy this pristine coastline. The Yalgorup National Park which borders the estate on the east side is renowned for its birdlife, woodland scenery & wildlife.
